FINANCIAL SERVICES

CLIENT: Fortune 500 Financial Services Company

VALUE: \$5M Annually

PROJECT: ComNet provided ongoing support to day-to-day operations and large scale projects while addressing the unique requirements of corporate office spaces, trading floors, data centers and retail banking sites.

CHALLENGES

- Managing differing technology standards for data center/trading floors vs. office space/retail banks.
- Off-hour labor deployment required at retail banking sites and during trading floor blackouts.
- Protect confidential information in an open office environment.
- Deploy Audio Visual solutions across multiple meeting spaces.

SOLUTIONS

- Assigned dedicated customer team and created ordering guides to ensure proper material utilization.
- Allocated a consistent off hour labor pool to ensure no disruption of normal business functions.
- Designed a sound masking system to assist in maintaining speech privacy.
- Design/build ranging from board rooms to huddle rooms based on the customer's unique requirements.
